- (i) Coogee Bay Hotel has been booked for 2014. Due to space restrictions, there will be no screens for the first session. Player Liaison will report on the player's thoughts of combining the Playoffs in 2018. As there is no target event in 2014 the Management Committee decided to award a subsidy for the top three placed pairs in each of the Open, Women's and Senior playoffs of 1st = \$5000, 2nd = \$3000 and 3rd = \$2000 respectively. These subsidies may be used to participate in any international event of their choice. Tournament Organiser to have a total budget of \$30,000 (excluding subsidies and venue hire) to hold both Open/Women and Seniors playoffs in 2014. BN to discuss with Tournament Organiser.

Action: BN

- (ii) Secretary to prepare pro-forma agreement with TO for consideration by all other members of the ABF MC prior to acceptance by the TO. All items to be included.

Action: DM

(b) GNOT

- (i) Email Chairman of NSWBA with GNOT regions now controlled by NSWBA with Masterpoints to be issued.

Action: JR

- (ii) As of the 1st January 2014 all other regions currently under the control of the ABF will return to both the NSWBA and the VBA.

Action: DM

- (iii) MC asked the Finance Committee to examine whether it would be feasible for the GNOT entry fee to be netted off against the player subsidies paid to each region/state and then have the States and regions pay the subsidies. This might solve the present problem of not being able to claim back the GST on subsidy payments without the requisite proof of expenditure by individuals. Treasurer to report back.

Action: RN
